KPJ REHABILITATION CENTRE

Regain Independence with our Comprehensive Rehabilitation

03-4021 0464

KPJ KL Rehabilitation Centre provides comprehensive rehabilitation focusing on intensive and interactive Neurological/Stroke rehabilitation programs for chronic and acute neurological/stroke patients with all levels of disability. We provide a multi-disciplinary approach to rehabilitation combining Rehabilitation Physician, Physiotherapy, Occupational Therapy, Speech Therapy and Psychologist.

We provide **one to one therapy** as we believe in giving personalized therapy for our patients to overcome their physical or cognitive disabilities.

Our goal is to help patients gain independence and confidence to carry out their daily activities. With a team approach, the aim is to empower the disabled person, to assist them to achieve and maintain their optimal physical, psychological and social function.
